

## RAD at Enrichment Student Guideline

Retter's Academy of Dance requests parents to review with dancer the following guidelines to promote a proper dance class setting at White Oak Enrichment. RAD presents these guidelines to assist you and your dancer as you embark on a great season! \*Please note: RAD will also review these and additional guidelines with students on first day of class.

1. **Be Positive!** (Willingness to learn and participate)
2. **Be Ready to Dance!** Maintain Proper Dress Code. (Dancers are requested to wear tennis shoes and clothing that permits movement... i.e. no tight jeans. If wearing a skirt/dress - dancer must wear shorts or leggings underneath to participate. No distracting jewelry.)
3. **Be Punctual and Prepared.** (Water bottles permitted and encouraged.)
4. **Be Polite.** (Always be respectful to instructor and other dancers. Raise hand for questions and comments. No hitting, pushing, back-talking, or any other behaviors deemed inappropriate by onsite instructor.)
5. **Be Committed.** (RAD appreciates your efforts to keep a positive attendance record.)

On behalf of Darryl and Linda Retter of Retter's Academy of Dance and White Oak Enrichment, we look forward to a fun, educational and rewarding enrichment season!
